

## 2010/2011 PROGRAM DATES (1st Monday)

### Monday, Oct 4

The Mechanics of the Camera—speaker: Colin Lonsdale

### Monday, Nov 1

Black & White Photography —speaker: Eric Luden

### Monday, Dec 6

Critique night—Bring in one or two photos that you would like critiqued (digital or print). This is not a meeting to bring your best photo—bring one you like but know it can be improved upon but just not sure how. The entire club gets involved in critique night—not just one or two experts so you receive many different suggestions and ideas.

### Monday, Jan 3

Entry ways to seeing— Some exercises could be considered an approach while other exercises force a person to think—speaker: Ron Rosenstock

### Monday, Feb 7

Q & A night—Have a question. Ask it! In past years questions such as “what’s a good photography magazine”, “how do you clean the sensor”, “how do you use a gray card”, etc.

### Monday, Mar 7

Artist’s Critique Night—Bring in one or two photos (digital or print) to be critiqued for artistic merit by an artist who is not a photographer

### Monday, Apr 4

NECCC Print Competition Results—Enjoy the commentary regarding some of the award winning prints entered in the NECCC inter-club competition throughout the year

### Monday, May 2

NECCC Digital Competition Results—Enjoy the commentary regarding some of the award winning digital entries entered in the NECCC inter-club competition throughout the year
